Dear Sirs:-

Re: Charles Waterman - SE of 35-32-22-W4th, SW of 36-32-22-W4th and NE of 27-32-22-W4th, Alberta.

I act for Mr. Charles Waterman who purchased the above land from the Dominion Government.

I understand from the Director of Lands for the Province of Alberta that he acquired this land before the transfer of the natural resources from the Dominion to the Provincial Government. He writes to me in part as follows:

"May I suggest that you contact the Lands Division at Ottawa quoting Pre Sale 3248, File 16[illegible]6. The same condition applies to the S.W. ¼ 35, as it was patented May 2, 1[illegible]. We do not appear to have any Ottawa file number to quote but they may be able to locate their records by use of S.L. Sale 43[illegible]."

I would like to know the amount paid for each of these parcels of land by Mr. Waterman to the Dominion Government. This information is required in connection with determining the unearned increment tax that is payable to the Provincial Government by my client who has made a sale of this property.

I would appreciate a reply to this letter at any early date.

Yours very truly,

Dear Sir:

RE: N.E. 27 & S.½ 35-39-22-W. 4th
Charles Waterman

In reply to your letter of June 28th last, may I advise that our records indicate that the N.E.¼ 27 was sold to Mr. Waterman and patented the 20th of August 1918. We therefore have no other record as the patent took place before the transfer of natural resources from the Dominion to the Provincial Government. May I suggest that you contact the Lands Division at Ottawa quoting Pre Sale 9248, File 1680186. The same condition applies to the S.W.¼ 35, as it was patented May 2, 1928. We do not appear to have any Ottawa file number to quote but they may be able to locate their records by use of S.I. Sale 4380.

Concerning the S.E.¼ 35 may I advise that the actual money paid on account of the principle for this land amounted to $1,263.94.

Yours truly,

For: V.A. Wood,
Director of Lands.

Re: Account of Samuel Whitson
E. ½ & S.E. 9-12-19-W4

The matter of an application for an adjustment of indebtedness outsta ding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $208.15 were advanced to Samuel Whitson on the security of the above mentioned land. Payments of $47.80, $41.17 and $60.00 were received in 1916, 1916 and 1925, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 208.15	$ 351.43	$ 559.58

Patent was issued in the name of Samuel Whitson for the N.E. 4-12-19-W4 on the 24th of July 1914, and for the S.E. 9-12-19-W4 on the 7th of November 1916, subject to the 1915 liens. The S.E. 4-12-19-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

In 1929 the N.E. 4-12-19-W4 and the S.E. 9-12-19-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since reverted to the Crown in the right of the Province.

These three quarter sections are now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and are still vacant and no longer being operated. The land is not assessed as of any value or subject to taxation. As such the land no longer offe s any security of value for our liens.

Under the circumst nces it is recommended that the b lance of the indebtedness be cance led and the liens discharged.

C.W. Gilchrist.
